

# **KEEPING YOU SAFE**

To ensure the safety of our staff and guests please find our current COVID-19 policy below.

## **AT YEOTOWN OUR STAFF:**

- Wash their hands regularly and thoroughly.
- Have enhanced cleaning and disinfecting routines using chemicals that are appropriate for COVID-19.
- Have temperature checks upon arrival to the site and are tested weekly.
- Follow all social distancing rules and wear appropriate PPE when needed.
- Will not come to Yeotown if they or a member of their household has symptoms Or if they have received an alert from NHS Track and Trace instructing them to self-isolate or if they have concerns they have been exposed to Covid-19.

## **AT YEOTOWN:**

- Hand sanitiser is readily available around Yeotown and should be used upon entry to one of our buildings/ rooms.
- We may ask guests to wear masks at certain times, such as on route to hikes and while facing therapists during treatments, to protect others. We may limit the number of people in one area at a time in line with social distancing guidelines.
- Rooms are thoroughly cleaned, sanitised and sealed before your arrival to make sure no one enters after this point.
- Temperature checks will be conducted daily for guests and we ask that all guests arrive with a negative test COVID-19 Test result.
